

Does your health care career need a boost? Would a professional affiliation boost your career path?

THEN CONSIDER BECOMING A MEMBER!!

Enjoy benefits such as:

Local Chapter Membership:

Affiliation with NAHSE SoCal which allows for great educational and networking opportunities.

Networking Opportunities:

Meetings and participation in other activities provide you the opportunity to make personal connections with other health care professionals.

National NAHSE Job Bank and Mentorship Opportunities:

Annual meetings and Educational Conferences provide the kind of opportunity and investment needed in today's workplace to assist in the furtherance of your career. The Annual CEO/Senior Executive program focuses on the leader's role in health care and the Young Healthcare Professionals Forum for students and early careerists.

Professional Projects/Workshops and Educational Programs:

Learn from those who are in positions of leadership at their respective institutions. Their years of experience can prove to be an invaluable tool to those who are not as well advanced in their careers. The Annual Educational Conference focuses on health care related programs and well-known speakers which provides eligibility for pre-approved ACHE Qualified Education credits, or programs toward advancement (non-ACHE), or recertification in the American College of Healthcare Executives.

SoCal Chapter

NAHSE + YOU

The National Association of Health Services Executives SoCal Chapter's purpose is to ensure greater participation of minority groups in the health care field. Our chapter's mission is to engage health care professionals and provide educational tools through forums which impact the changing health care industry.

MEMBERSHIP TYPES

NAHSE offers special membership types for current executives, students, and organizations. To determine the type of membership that you qualify for, please read the membership guidelines at www.nahsesocal.org.

Chapter

Personal/Associate

Student Type I

Student Type II – Early Careerist

Institutional/Sponsorship

Some NAHSE members are serving in key C-Suite positions.

Our leadership and members are administrators, practitioners, and educators working in a wide-variety of health care organizations.

NAHSE was established for the purpose of promoting the advancement of these leaders and elevating the quality of health care services rendered to minority and underserved communities.

Today NAHSE has grown into the premier membership organization for black health care professionals.
